FIFTH AVENUE OVERVIEW

Journey Through Paradise by Alan S. Maltz is an exquisitely printed large-format coffee table book representing a gifted photographer's journey through a unique integration of sophistication and wilderness that exists in few other places on earth.

Within these pages, you will explore starry nights and sun-dappled days in the seaside resort city of Naples, Florida. At her heart are glamorous boutiques, cafes, world-class museum and galleries, chic tin-roofed cottages, and stately Mediterranean mansions. On her fringes, you'll see—like never before—unspoiled miles of beach embraced by the aquamarine waters of the Gulf of Mexico, and rarely-witnessed scenes in the untamed Everglades.

This new publication is the first of its kind for this area and the fifth in a series of large format Alan S. Maltz coffee table books showcasing the wonders of Florida. The Alan S. Maltz Gallery in Old Town Key West exhibits his cutting-edge fine art and published works. His photographs grace private, public and

corporate art collections around the world, among them the Carter Center and Presidential Library in Atlanta, Georgia; The Ritz-Carlton in St. Thomas, U.S. Virgin Islands; The American Airlines Arena

and Carnival Cruise Lines in Miami, Florida; and Canson-Infinity in Caen, France.

Collections and Commissions

The Lee County Visitor and Convention Bureau along with the Lee County Port Authority commissioned a permanent exhibition of sixty fine art images by Alan S. Maltz which is now on display at Southwest Florida International Airport, Fort Myers. The Naples, Marco Island, Everglades CVB commissioned a series of works to capture the enchantment of the region for worldwide presentation.

Journey Through Paradise is printed on fine, art-quality paper, enhanced by elegant typography and the lyrical narrative by nationally known travel writer Karen T. Bartlett, all wrapped within a book collector's dust jacket.

This stunning book makes a beautiful holiday gift, and a lasting impression that reflects the good taste of both the giver and the recipient.
